# AP Environmental Science Community Service

Green Hope HS APES students are required to complete 12 hours of environmental community service. This form is needed for events not offered on signup genius. When searching for your own opportunities, **DO NOT contact Hemlock Bluffs Nature Preserve or Lake Crabtree; they already provide us with all available opportunities.** Community service activities that do not benefit the environment or an environmental organization, while commendable, will not receive credit (ie. Habitat for Humanity, Landscaping & Beautification Efforts, Food Bank, etc).
