GHHS Environmental Community Service

Environmental Community Service is an important part of AP Environmental Science classes and Environmental Club. **You do not need this form for events signed up for through the APES SignUp Genius.** This form should be submitted with a picture for all other events. If the event is not listed on the APES service page, it *must be approved before participation* in order to receive credit. When completing environmental community service, please show up on time and represent GH and APES well.
