

Project: Travel to the North Carolina Coast

You are going on vacation! It's time to plan a vacation to the North Carolina coast, where you will have some fun and learn about the natural environment.

The product will be a detailed itinerary and one powerpoint slide that hits the highlights. You may work by yourself or with one other person.

Maps and pictures are highly encouraged.

Requirements:

- a. the vacation must be seven days, including travel from Cary and back.
- b. each day must be planned from a minimum of 9 AM to 6 PM, with each hour being accounted for in detail
- c. a minimum of two meals must be planned each day, including a specific food order, with a different restaurant for each meal (exceptions for some boat trips that last all day, but you still must plan the meals).
- d. a minimum of two different activities each day, with at least one of those activities being "naturalist". Examples of naturalist activities include visiting an aquarium or state park, deep-sea fishing, scuba diving, kayaking, etc.
- e. every meal and activity must have an accurate cost (in dollars)
- f. accurate distances (in miles) must be given when moving between cities
